

Welcome to HAVILLAND PARK in Hatfield

Contemporary new homes in the vibrant town of Hatfield, just 25 minutes from the centre of London

With a rich history stretching back to Saxon times, an attractive 'old town' area alongside extensive modern leisure and shopping facilities, beautiful parks and countryside all within easy range of London and key motorway links - Hatfield really does offer something for everyone.

Havilland Park (named after the de Havilland aircraft manufacturer for which Hatfield is famous) offers a contemporary range of property choices, conveniently located to take advantage of the many local amenities and attractions, with a large selection of nearby schools and easy access to both the town centre and key transport links.

Steeped in history with a welcoming energy

Whether you're a history buff, a nature enthusiast, or just looking for a day out with family and friends, Hatfield has something for everyone. From the stunning stately home, Hatfield House, to beautiful cycle routes, countryside walks and a famous 18th century watermill on the banks of the River Lea, Hatfield offers bags of character.

But that's only half of the story.

As the location for the University of Hertfordshire, with over 30,000 students from across the world spread over two main campuses, Hatfield also boasts a lively, youthful and welcoming energy to complement its historical attractions.

Everything you need – conveniently located

Hatfield has a nine screen cinema, a contemporary art gallery, a theatre and music venue, the Galleria outlet centre, three supermarkets and a plethora of restaurants, pubs, kids play areas and activity/leisure centres.

With a direct train link to Kings Cross, Finsbury Park and Moorgate, it's also convenient for commuting to London for work or pleasure, whilst its proximity to both the A1 and the M25 alongside an extensive bus network - makes venturing further afield easy too.

Hatfield certainly ticks a lot of boxes as a location. Havilland Park provides a wonderful home to make the most of it.

Kitchen, ceramic tile and flooring choices will only be available subject to the stage of construction, in some instances, they will have already been pre-selected. Please ask the Sales Representative for further information.

Abbey Saving Solution

The Abbey Saving Solution is an exclusive scheme introducing money saving ideas to our customers. Offers and incentives can vary, plus you can tailor them to best suit your needs when purchasing your new home.

Key incentives include, but are not limited to:

Stamp Duty contributions Mortgage contributions Contributions towards energy bills Deposit contributions Legal fee and estate-agent contributions Money towards flooring

Across these incentives, customers have the opportunity to save thousands.

This scheme is subject to conditions. Please ask the Sales Representative for further details and eligibility.

In today's rapidly changing world, many of us are increasingly turning our attention towards adopting a more sustainable lifestyle, while also reaping the benefits of reduced energy bills.

This collective awareness of the environmental challenges we face has created a desire to make a positive impact with more of us making conscious decisions to minimise our carbon footprint by embracing energy-efficient practices.

We meticulously contemplate the design of our homes, ensuring they are energy efficient, leaving you to enjoy the benefits without having to put in the effort yourself.

What you get with an Abbey New Home:

Enhanced insulation

Solar panels

A-rated boilers

Low-flow taps and dual-flush toilets, helping reduce water usage

You'll see up to 63% improvement in heat loss in your Abbey New Home as well as reduced running costs.

Please ask the Sales Representative for further details.

Energy Efficient Homes

- LED/low energy lighting
- Full-cavity wall insulation
- The latest energy efficient appliances

Beautiful Homes, Attractively Priced

Abbey New Homes is a residential housebuilder and property developer operating in the UK, Ireland and the Czech Republic. For two generations, the sales sign in front of our developments has become a familiar sight in the South East of England.

With many thousands of homes and satisfied customers to our credit, we continue to offer 'Beautiful Homes, Attractively Priced'. As a responsible developer, we endeavour to provide information that portrays as accurate a picture as possible, of your future home and we would like to point out the following:-whilst every care is taken to ensure accuracy of all published material, we reserve the right to amend or improve the specification, materials, floor layouts and site plans. Please note that interior images shown in this

particular brochure are indicative only and taken from other Abbey New Homes interiors.

The landscaping shown in this brochure is indicative of a matured development with the artist giving some indication of how extra planting could be used to enhance the appearance of your home. The configuration of homes, garage positions, brick colours, windows, external treatments and levels can vary from plot to plot. We can therefore only give typical illustrations. Thank you for taking the time to read about our development, Havilland Park. Please speak with our sales representatives who will be happy to provide further information and help you choose a house of which to be proud.
