

HAVILLAND PARK

HATFIELD, AL10 9SH

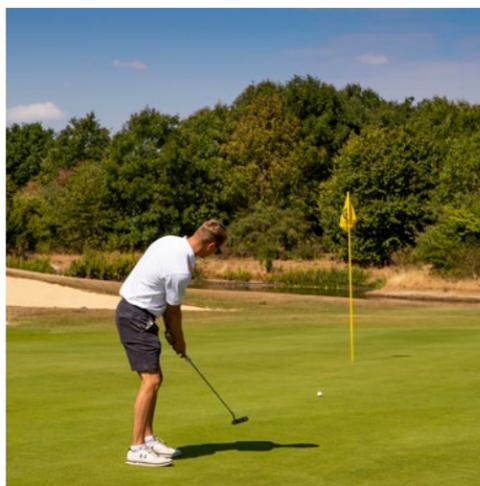

Welcome to
HAVILLAND PARK
in Hatfield

Contemporary new homes in the vibrant town of Hatfield, just 25 minutes from the centre of London

With a rich history stretching back to Saxon times, an attractive 'old town' area alongside extensive modern leisure and shopping facilities, beautiful parks and countryside – all within easy range of London and key motorway links – Hatfield really does offer something for everyone.

Havilland Park (named after the de Havilland aircraft manufacturer for which Hatfield is famous) offers a contemporary range of property choices, conveniently located to take advantage of the many local amenities and attractions, with a large selection of nearby schools and easy access to both the town centre and key transport links.

Steeped in history with a welcoming energy

Whether you're a history buff, a nature enthusiast, or just looking for a day out with family and friends, Hatfield has something for everyone. From the stunning stately home, Hatfield House, to beautiful cycle routes, countryside walks and a famous 18th century watermill on the banks of the River Lea, Hatfield offers bags of character.

But that's only half of the story.

As the location for the University of Hertfordshire, with over 30,000 students from across the world spread over two main campuses, Hatfield also boasts a lively, youthful and welcoming energy to complement its historical attractions.

Everything you need – conveniently located

Hatfield has a nine screen cinema, a contemporary art gallery, a theatre and music venue, the Galleria outlet centre, three supermarkets and a plethora of restaurants, pubs, kids play areas and activity/leisure centres.

With a direct train link to Kings Cross, Finsbury Park and Moorgate, it's also convenient for commuting to London for work or pleasure, whilst its proximity to both the A1 and the M25 – alongside an extensive bus network – makes venturing further afield easy too.

Hatfield certainly ticks a lot of boxes as a location. Havilland Park provides a wonderful home to make the most of it.
